March 31 Registration
Packets Due

IF APS SCHOOLS ARE CLOSED OR DELAYED DUE TO INCLEMENT WEATHER PHUMC PRESCHOOL WILL BE CLOSED.

Visit ww2.aps.edu for up to date information on school closures or delays due to weather.

With the flu season only half way over we are taking as many preventative measures here at the preschool to keep your children healthy. With that being said, we are in need of donations of non-latex gloves size medium, hand sanitizer, foaming liquid soap refill, and Clorox wipes.

If you would like to donate your time and help us disinfect toys and common areas please see Theresa or Angie. With all hands on deck we can do our part to keep everyone as healthy as possible. Thanks in advance for your support!

PHUMCPRESCHOOL.NET

Did you know that we are on the web? Our website is loaded with a wealth of information. There are updates, school info., our newsletters, and much more. School closures due to weather will also be posted. If you are not receiving our emails or text messages please let us know as soon as possible.

We are also on Facebook:

Paradise Hills UMC Preschool

Reminders:

- Please drive slowly and cautiously in our parking lot. There are lots of little ones arriving and leaving at the same time. We want to make sure everyone is safe.
- Please do not let your child bring toys and trinkets to school. It can become quite a distraction. The only exception to this would be if it's their special "sharing day" and they are bringing it to show the class.
- Please do not send your child in clothing that you do not want to get dirty. The children are very active throughout the day and they will get dirty.
- Please no Heeleys, Scooters, Skateboards at school. This includes the sidewalks and parking lot.
- No costumes, masks, or any tee shirts, jewelry, pins earring or buttons that make noise.

With cold weather upon us children are more prone to illness. If your child has any of the following symptoms now or in the past 24 hours, we ask that you keep him/her at home: a fever, rash, diarrhea, vomiting, pink eye, sore throat, discolored nasal discharge, constant cough, or any symptoms of a contagious illness. A good rule to follow when determining whether or not to send your child is, "when in doubt, don't."

We go outside everyday unless it's raining or snowing. Make sure that your child's belongings are clearly marked to avoid any confusion. Finally please make sure that your child has a good breakfast and has gone to the bathroom before coming to school. This helps your child get all he/she can out of preschool.
