

Mark Your Calendar

**Fall Fun**

**With the first month behind us, preschool is now in full swing and the school year is off to a great start! It seems hard to believe that it is now time to say goodbye to summer and hello to fall!**

**Illness Policy**

With cold and flu season upon us please keep in mind our illness policy.

Do not bring your child to school if he/she has a fever or has had a fever, vomiting, diarrhea in the last 24 hours, or if they have had any signs of an illness or communicable disease. If your child becomes ill during the day, you will be called to come and pick him/her up. Reminder: please keep your cell phone with you and turned on while your child is in school. It is very important that we are able to reach you when needed. Please do not bring your child to school if they did not get enough rest the night before. They are not able to function without ample sleep.

**Operation Christmas Child**

Once again our preschool will be participating in Operation Christmas Child. We will be collecting shoeboxes through November 9. If you are able to participate in this rewarding ministry please fill up a plastic standard size shoebox. Our understanding is the plastic boxes are ideal because they have many uses by the families who receive them. If you'd like more information or gift ideas please visit [www.samaritanspurse.org](http://www.samaritanspurse.org). Thank you for your participation in this wonderful ministry.

**REMINDERS:**

It is very important that you label your child's belongings, lunch boxes, drink bottles, snack bags, jackets, gloves, etc. Please label the lunch boxes on the outside of the lunch box. If these items are not labeled they will be labeled with a permanent marker here at school.

We are a nut free school. Please do not send any nut products for snack or lunch. This also includes sun butter and anything that resembles a nut product. Please check labels. The label is the best indication.

Fundraiser Packets Due

October 8, 2018

Operation Christmas Child

Shoeboxes due Nov. 9

---

**DONATIONS ACCEPTED**

If you would like to donate supplies to the preschool we are always in need of the following:

Exam gloves size medium (non-latex)

Copy Paper

Trash Bags

Clorox wipes

Glue Sticks

AAA Batteries

---

**Toy Washers and Classroom Disinfectors Needed**

Every year our wonderful preschool families always step up and help with the never ending task of keeping our school sanitized. We are looking for some volunteers that would be willing to clean and disinfect toys and classroom tools. This can be done here at school or by taking toys home, disinfecting them, and then bringing them back. We strive to keep our classrooms and all supplies clean and sanitized in an effort to keep everyone healthy. Thanks in advance for your support.
