The Students are enjoying their time in Chapel each week. This month the topic will be God's love for us. They are learning Bible verses and songs.

Please drive slowly and cautiously in our parking lot. There are lots of little ones arriving and leaving at the same time. We want to make sure everyone is safe.

February is the month of Love. The classrooms will do a simple Valentine exchange. Specific details will be coming from your child's teacher. Please remember that we can not exchange edible treats due to allergies. Little goody bag stuffers are perfectly acceptable but not expected.

We go outside everyday unless it's raining or snowing. Make sure that your child's belongings are clearly marked to avoid any confusion.

Please make sure that your child has a good breakfast and has gone to the bathroom before coming to school. This helps your child start their school day in a positive manner.

With cold weather upon us children are more prone to illness. If your child has any of the following symptoms now or in the past 24 hours, we ask that you keep him/her at home: a fever, rash, diarrhea, vomiting, pink eye, sore throat, discolored nasal discharge, constant cough, or any symptoms of a contagious illness. A good rule to follow when determining whether or not to send your child is, "when in doubt, don't."

Most of the preschool staff live in Rio Rancho. We also have many families living in Rio Rancho. If Rio Rancho receives snow, please watch your text messages for updates to the status of school. If roads are bad in Rio Rancho, we will close the Preschool for the day to keep everyone safe.
