A Time For Thankfulness

November is the month that we take extra time to recognize and give thanks for all of God's blessings. This month at preschool we will be talking about Thanksgiving and the things that we are thankful for. Our staff would like to say how thankful we are to have such wonderful preschoolers and parents!

Chapel Time

Our Chapel time is going very well. Our pastor and youth director lead chapel time and have as much fun (if not more) as our kiddos do! It is a blessing to have important, short little lessons for the children to learn from. They are listening to Bible Stories, have memory verses, and learning songs. If you would like to know more about Chape time, please do not hesitate to ask.

Operation Christmas Child

Most of our shoe boxes have been taken home to be filled. We have just a couple left. You can also use a plastic shoebox (Rubbermaid) if you would like. We need all shoeboxes returned to the Preschool by Monday, November 14th so we can deliver them to our central location. The classroom that fills the most shoeboxes will earn a pizza party! Thank you for taking part in this wonderful ministry that reaches so many children in need! What a blessing!

HAPPY THANKSGIVING!!!

Our Green Frog and Red Bird classes with be having a Thanksgiving lunch with their families on Monday, November 14 and Tuesday, November 15th at Noon. We look forward to seeing everyone!

Reminders

With cold weather upon us there will be lots of hats, jackets, sweaters, etc. Please make sure all your child's things are well marked with his/her name on it. Also remember that lunch boxes, cups, containers, etc., should also be clearly marked on the outside of the item. It's also time to change the extra change of clothes that is in your child's backpack from warm weather clothes to cold weather clothes. We are required by the State to label items if they are not already labeled. We will be labeling items with a permanent marker if they are not clearly labeled.
