Fall 2023

Fall is a time of change everywhere: change of weather, change of colors, change of seasons, and a change in our clothing. But our faith and love of Christ is never changed! We will explore many different things during fall and we will learn about being thankful, being kind, learn how to care for each other, and learn what it is to love one another.

## Chapel Time

Our Chapel time is going very well. Our pastor and youth director lead chapel time and have as much fun (if not more) than our students do! It is a blessing to have important, short little lessons for the children to learn from. They are listening to Bible Stories, have memory verses, and learning songs. If you would like to know more about Chapel time, please do not hesitate to ask.

Thank you to all who have served our country! Your dedication and service is very much appreciated and we honor you all! Thank You!!

## Church Fall Festival

Join us for a family friendly event to celebrate the season! There will be bounce houses, a petting zoo, trunk or treat, pumpkins, and a cake walk!

All are welcome to come and participate and have fun with your families!

We pray everyone has a blessed and wonderful Thanksgiving! Enjoy this special holiday! Our GreenFrog and RedBird classes will have a Thanksgiving celebration. Day and time to be announced.

Shoes boxes are now available for pick up. Filled shoeboxes are due to us by November 13 so we can deliver them to our drop off point. This is a wonderful ministry to offer love and kindness to less fortunate children around the world. Blessings to you all for participating!
